A new place to volunteer.....

The Tiger Stripes Ministry at Newman is beginning a volunteering relationship with Hope Hall School in Rochester. Hope Hall School provides a multi-sensory, supportive learning environment for students with Auditory Processing Disorders, Autism, ADD, and ADHD. If you are interested in getting involved as a teachers assistant, helping out with wood shop projects, or guiding an afternoon running group, contact Matt Ryan (mxr9154@rit.edu) or Amanda Olsen (axo1445@rit.edu) for more information or sign up after any Mass.

RIT NATION

For just a moment, think about a day in the future, in a land far away....you have just gotten a new job and you are working on a diverse team with individuals from a various ethnic backgrounds. Sometimes, the work place is a great opportunity to learn more about other faith traditions. Other times, the workplace does not lend itself to opportunities to share personal stories and beliefs. And yet, know a few bits and pieces from other cultures and faith traditions is really helpful in forging both personal and professional relationships.

RIT offers a wonderfully diverse environment as well as rich faith opportunities through the Center for Religious Life. A group of students from various faith traditions have been meeting together for several months to understand one another and offer opportunities for the RIT community to learn and grow from one another. This group has planned an ***Interfaith Social event for April 7th from 7:30-9:00 pm in the Skalny Room.*** Here is a chance to meet other RIT students from various backgrounds and faith traditions, to get to know them and have fun. As we continue our time at RIT, let's learn about our brothers and sisters we walk next to everyday.

It is almost time for the Busy Persons Retreat! Again this year, students can sign up for a 4 week retreat...designed for busy people. Each student will be paired with a Sister of St. Joseph of Rochester and you will be given materials to think and pray about during the week. You will meet with your sister 4 times over the course of four weeks for about 30 minutes. Students in the past have loved the opportunity to be thoughtful and intentional the last weeks of Lent and through Easter. It does not take a lot of time and the benefits are many. Sign up at Masses or email amncpm@rit.edu

Have a great week. I am in Milwaukee for the week facilitating a parish retreat with my colleague Don Neureuther. Please keep the good people of St. Boniface Parish in Germantown, WI in your prayers.
