

A message from Alice Miller Nation
• Stewardship Report 2016-2017 •

The world desperately needs each of us. Several years ago, a colleague spoke these words to a group of students. I have borrowed his wisdom and shared it over and over with Newman students at RIT.

Yes, the world does indeed need each of us and it is no accident that we are here at RIT, making our way in this sometimes challenging world. It is the hope and light that each of us bring to the circles we walk each day that offer encouragement and joy on what might seem like long and dark days. And so, believe right down to your toes, that each of us has an important place in this world and we are desperately needed to be the men and women our God created us to be.

This is one of the many messages RIT students hear on a regular basis when they come to Mass, service learning opportunities, retreats or coffee hours. We offer a place for students to come and tell their story, serve the most marginalized in our community, meet others who have similar values and remember they are valued and valuable.

The Newman Catholic Community at RIT is growing! We have added many opportunities for students to engage their faith and spiritual life in everyday ways. We are about to add an additional staff position and student leaders are now involved in all areas of Newman ministry and outreach. It is our hope that Newman students at RIT have opportunities to grow which will allow them to live and lead spirit filled futures.

From the bottom of my heart, I thank you. We could not exist without your support and prayers. Your generosity allows us to offer a vibrant and engaging home away from home for young people at RIT. Please consider supporting our Day of Giving, July 18, 2017. Visit www.ritnewman.com

Peace and blessings,
