- *The coffee hour for June has been changed to June 26th. We will gather after the 10 am Mass for coffee hour and community meeting at which we will share the financial status of the community. Please plan on staying for the coffee hour that weekend.*

## RIT Nation

This weekend I will be worshipping with my family at St. Matthew Church in Livonia. Our youngest, Sarah, is graduating from high school and our parish has a Baccalaureate Mass and brunch for all graduates and their family members. I so appreciate all your support so that I can celebrate with my family.

During the summer months, we have many visitors in and out here at Newman at RIT. My heart dances when I see “regulars” welcoming people visiting for the weekend or just “stopping in” to see what we are about. Please continue this practice, it truly is the sign of a warm and welcoming community.

June 26th at 11 am we will have a coffee hour. At this coffee hour I would like to have a community meeting to talk about the finances of our community. I will share the budget that closes on June 30th as well as look ahead to the future. One of my goals for our community is to become financially sustainable. I truly appreciate the generosity of each of you. Your thoughtful gifts mean the world to us and as we pray each weekend at Masses, “may God continue to bless our benefactors and may we be good stewards of all that is entrusted to us.” Thank you. Thank you. Thank you. Next weekend we will have a sign up for those who might want to bring some food to share for our coffee hour.

The controversial movie, *Me Before You* is out at theatres. Many have encouraged boycotting the movie. I would like to take another approach. How about we go see it and then gather for a discussion after? It would be a great time to talk about the movie, what our faith brings to the table and a bit of Catholic Social teaching. Any takers? Email me.

Peace and blessings! Alice MN
