# RIT Nation

Today is a coffee hour and community meeting. At this coffee hour I would like to have a community meeting to talk about the finances of our community. I will share the budget that closes on June 30th as well as look ahead to the future. One of my goals for our community is to become financially sustainable. I truly appreciate the generosity of each of you. Your thoughtful gifts mean the world to us and as we pray each weekend at Masses, "may God continue to bless our benefactors and may we be good stewards of all that is entrusted to us." Thank you. Thank you. Thank you. Next weekend we will have a sign up for those who might want to bring some food to share for our coffee hour.

The controversial movie, Me Before You is out at theatres. Many have encouraged boycotting the movie. I would like to take another approach. How about we go see it and then gather for a discussion after? It would be a great time to talk about the movie, what our faith brings to the table and a bit of Catholic Social teaching. We will be gathering to talk about this topic after the July 4th holiday.

The Diocese of Rochester is sponsoring three events to celebrate World Youth Day in Krakow, Poland. Three students from our community will be attending World Youth Day as pilgrims as will Fr. Brian Cool.
