RIT Nation

Happy Labor Day weekend! Enjoy the additional day off from classes! We have all completed our first week of classes. Congratulations! We still have several weeks of warm day, take advantage of them! Think about walking from one side of campus to another, rather than taking the bus. Walking and being aware of the color of the sky and the subtle changes of Mother Earth around us is not a bad reflection and distraction from the details of life that at times can trouble us. Try it this week....walk once rather than driving or jumping on the bus!

In the weeks to come, you will begin to hear about **TIGER STRIPES**, Newman's very own outreach service program. We learn much about ourselves when we serve and care for others. **Tiger Stripes** gives Newman students the opportunity to serve many who really need our help. Most of us are not able to get on a plane and fly to Houston to help, but we can do what we are able here in Rochester. **Tiger Stripes** gets students off campus working with people living on the margins of society, encouraging children who live each day below the national poverty level. **Tiger Stripes** assists refugees who have made Rochester home. We tutor, we prepare and serve dinner, we teach basketball skills, we play! It's our hope that we "find ourselves" as we help others grow and become the people they are meant to be for our world. Consider **Tiger Stripes**...and feel free to bring a friend along with you. You'll be hearing more in the weeks to come.

Sign up for September Kick Back...Saturday, September 9 from 10:30 am-3:30 pm in the Skalny Room. Great food, fun and three hours of low ropes course from the staff of Camp Stella Maris in Livonia, NY. We will serve tacos. If you want to come and have food considerations, please let us know.

The next day, Sunday, September 10 is our Welcome Back Brunch. This will be right after the 10 am Mass in the Skalny Room downstairs. Sign up so we have enough food. Food allergies? We've got you! Let us know. Peace and good, Alice
