Alpha Weekend! This weekend we are going to roll out Alpha. Newman is partnering with St. Anne's Church (not far from campus) to offer Alpha. "What is it?" you might ask! Alpha is a journey with other Newman students exploring the Catholic faith, over 11 weeks. Each talk/video looks at a different question around faith and is designed to create conversation.

Alpha will be Monday evenings from 6 pm - 8:15 pm at St. Anne's Church on Mt. Hope Avenue. Dinner and transportation are provided. Deacon John McDermott will be at Newman Masses this weekend to talk about Alpha.

As you are beginning to see, the Newman community @ RIT is a busy place. Throughout the semester, we offer several retreats (some just a few hours and others for the weekend), opportunities for service and community building. Newman has a Knights of Columbus council for men and we are starting a women's group this semester. Choose what looks good to you and sign up - either after Masses or email. You can always bring someone along. And if you have dietary considerations, please let us know. We've got it!

Low gluten hosts - do you need a low gluten host for Mass? We've got that also. When you come into the chapel, on the gifts table at the entrance, you will find a small plastic bag with low gluten hosts. Please put one in the pyx (small gold container used for communion...also a great Scrabble word - I got 73 points off it once!) and when you go up for communion, please use the choir side. Let the minister know that you need the low gluten host. If you need some assistance, please ask, Kevin, Deacon Dave or myself.

This weekend, at both Masses, you will begin to hear about **TIGER STRIPES**, Newman's very own outreach service program. We learn much about ourselves when we serve and care for others. **TIGER STRIPES** gives Newman students the opportunity to serve many who really need our help. **TIGER STRIPES** gets students off campus working with people living on the margins of society, encouraging children who live each day below the national poverty level. **TIGER STRIPES** assists refugees who have made Rochester home. We tutor, we prepare and serve dinner, we teach basketball skills, we play! It's our hope that we "find ourselves" as we help others grow and become the people they are meant to be for our world. Consider **TIGER STRIPES**..and feel free to bring a friend along with you. You'll be hearing more in the weeks to come.

Remember that we are here for you. If any of us can be of any help, please send an email or let us know. Have a great week. Peace and good, Alice MN
