

A message from Alice Miller Nation

• Stewardship Report 2017-2018 •

It was the week of commencement at RIT. A soon to be graduate walked into my office and sat down. With a smile on her face she asked if I would do her a favor. "I'll try," was my response. This student had volunteered at Bethany House three of her four years at RIT. Bethany House, a Catholic Worker offers transitional housing for women and children. "I am wondering if you are free on Wednesday evening to go to Mass and dinner at Bethany House. I want to go one more time before I leave Rochester." "Absolutely," was my response. I wanted to pinch myself! In the midst of graduation week, a student wanted to go say goodbye to the poorest of the poor in the heart of the city of Rochester! Joy filled my heart that evening as I watched this young woman embrace and say goodbye to each of the residents she knew by name.

This is what happens to students as they engage in and embrace service learning through Newman @ RIT. When they leave RIT, they not only have the skills and education to do what they have been training for throughout their academic career but they have also developed skills that will serve them well as they care for others beyond the RIT campus. Newman offers the opportunity to share life with those who have much to teach us.

Newman offers a place for students to come and tell their story, serve the most marginalized in our community, meet others who have similar values and remember they are valued and valuable and a place to grow in faith.

Newman continues to thrive! We have added many opportunities for students to engage their faith and spiritual life in everyday ways. Student leaders are now involved in all areas of Newman ministry and outreach. It is our hope that all Newman students at RIT have opportunities to grow which will allow them to live and lead spirit filled futures.

From the bottom of my heart, I thank you. We could not exist without your support and prayers. Your generosity allows us to offer a vibrant and engaging home away from home for young people at RIT. Please consider supporting our Day of Giving, July 17, 2018. Visit www.ritnewman.com
