## Newman Notes:

Happy Summer! My name is Kim Winden, and I am the new Associate Director of the RIT Newman Catholic Community and Campus Ministry. I have had the pleasure to meet with Fr. Brian, Alice, Mike, Dave, and more wonderful leaders on this faith-filled team. First of all, I would like to say THANK YOU for your warm welcome. You have all been in my prayers, as I know that any transition can be tough for a community. In my first week at RIT, I have felt an overwhelming amount of love and support from the community and team, and to me that speaks strongly about the community I feel blessed to be joining.

I would love to tell you a bit about myself, and I look forward to learning about all of you! I live in West Irondequoit with my husband (Dave) and our three children (Riley, Jackson, and Gianna). For the past 10 years I have served as the youth minister at St. Christopher's in North Chili, NY. I spent my time and energy on youth events (NCYC, lock-ins, team building opportunities), family enrichment (marriage retreats, family faith formation assistance), fellowship (parish events, annual 5k race), Confirmation prep, Baptism prep, and website design. I will miss St. Christopher's and the sense of home it provided for my family, but I am trusting and loving God's call for this new part of my ministry journey. Before St. Christopher's, I taught secondary music in the Rochester City School District, and I continue to love and participate in music whenever I can find time.

I have a huge passion for the young church. I find so much inspiration and joy in being a part of a young adult's faith journey. It is my constant mission to provide an atmosphere and platform for the young church to not only explore their faith, but also to live it out in ways that will change them and others. College is such a crucial time for ongoing faith development. We often lose youth and young adults because they feel like bystanders in some other generation's church. Campus ministry is the perfect platform to see that the young church is alive and thriving, with faithful and strong individuals who are eager to learn about their faith and live the Gospel out in extraordinary ways.

Again, thank you for your warm welcome. Please join me in praying for a smooth transition and a great start to the 2018-2019 school year!

God Bless you all!

*Kim Winden*
