Newman Notes:

TIGER STRIPES

Starting this weekend, you will be hearing about TIGER STRIPES, RIT Newman's very own outreach service program. We learn much about ourselves when we serve and care for others. TIGER STRIPES gives Newman students the opportunity to serve many who really need our help. TIGER STRIPES gets students off campus working with people living on the margins of society. TIGER STRIPES assists refugees who have made Rochester their home. In past years we have tutored, we prepared and served dinners, we taught basketball skills, and much more! It's our hope that we "find ourselves" as we help others grow and become the people they are meant to be for our world. Consider TIGER STRIPES ministry...you are SO needed! And feel free to bring a friend along with you. You'll be hearing more in the weeks to come.

We will also be hiring 2 Tiger Stripes Coordinators! Start thinking about if this may be a calling of yours. You would help with planning and implementing various service opportunities. More details to come ☺

An email will go out soon with an application for Tiger Stripes Coordinator! If you're not currently getting my emails, please be sure to register online so that you're added to the list. Go to ritnewman.com and click on "student registration form" under the "I'm new here" tab.
